

No. of Project	Project's title	Заказчик
Проект № 54	Supply and installation of cable support structures and structured cabling systems (SCS) / Data Center (DC)	GNC-Alfa CJSC
Проект № 53	Modernization of the existing access control and management system	Gazprom Armenia CJSC
Проект № 52	Supply and installation of SCS - HSBC branch [Paronyan Street 42/90]	Gravity LLC
Проект № 51	Supply, installation, commissioning and maintenance of fiber optic cable systems	Digitain LLC
Проект № 50	Supply, installation, commissioning and maintenance of access control and management systems (ACMS)	DG Property LLC
Проект № 49	Installation of optical fiber communication lines	DC-Telecom LLC
Проект № 48	Installation of optical fiber communication lines	Horizon-95 LLC
Проект № 47	Installation of optical fiber communication lines	Yerenergo LLC
Проект № 46	Maintenance of the working environment	ZTE Armenia CJSC
Проект № 45	Installation of optical fiber communication lines on the M-6 highway Vanadzor - Alaverdi	VEON Armenia CJSC
Проект № 44	Supply of network equipment	MTS-Armenia CJSC
Проект № 43	Provision of license and manufacturer support services for the biometric platform	VTB Armenia CJSC
Проект № 42	Technical support on the Security System of Significant Importance (SSSI) at the "Bjurakan" facility	Russian Space Systems JSC
Проект № 41	Design of optical fiber communication lines between hydro power plants	Contourglobal Hydro Cascade CJSC
Проект № 40	Additional customization services for OSS/BSS software ("EqM" and ACS) "Orange"	GNC-Alfa CJSC
Проект № 39	Supply of high-profile cable accessories [DAC/AOC] for network equipment	GFN Cloud Internet Services LLC
Проект № 38	Supply and installation of cable channel systems - Data Center (DC) - GNC ALFA	GNC-Alfa CJSC
Проект № 37	Supply and installation of SCS - Data Center (DC) - GNC ALFA	GNC-Alfa CJSC
Проект № 36	Supply, installation, commissioning, and maintenance of SCS and ACMS	Digitain LLC
Проект № 35	Supply of optical network terminals (ONT) and optical line terminals (OLT)	GNC-Alfa CJSC
Проект № 34	Telecom equipment installation	VEON Armenia CJSC
Проект № 33	Supply of IT equipment	Digital Armenia Foundation
Проект № 32	Supply of equipment and system preparation   Sports and recreational complex [Avan] "Gazprom Armenia"	SNART LLC
Проект № 31	Supply and installation of equipment within the project "Free Economic Zone on the Border with Iran"	Horizon-95 LLC
Проект № 30	Supply, installation, commissioning, and testing of server equipment	RA State Revenue Committee
Проект № 29	Supply of network equipment	Gazprom Armenia CJSC
Проект № 28	Provision of vendor support services	GNC-Alfa CJSC
Проект № 27	Supply of computer equipment	Armats CJSC
Проект № 26	Supply of computer equipment	RA State Revenue Committee
Проект № 25	Modernization and restoration project of the optical fiber network on the M-6 route [Vanadzor-Alaverdi-Georgia]	Kapavor LLC
Проект № 24	Supply of network equipment	GNC-Alfa CJSC
Проект № 23	Supply of Firewalls	The Government of the Republic of Armenia
Проект № 22	Supply and installation of equipment for structured cabling system [SCS]	Lydian Armenia CJSC
Проект № 21	Modernization of Technical Infrastructure and Active Infrastructure Integration Services	RA State Revenue Committee
Проект № 20	Design, installation, and commissioning of structured cabling system (Ameriabank Branch "Kamar")	Ameriabank CJSC
Проект № 19	Supply and activation of licenses	GNC-Alfa CJSC
Проект № 18	Supply and installation of video surveillance system (Yerevan, Byuzand Street 13 - 21)	Royal Tower LLC
Проект № 17	Maintenance of OSS/BSS software ("EqM" and "Automated Settlement System (ACS) "Orange")	GNC-Alfa CJSC
Проект № 16	Installation and splicing works of OHLs at substations	HVEN CJSC
Проект № 15	Supply, installation, and commissioning of solar radiation monitoring stations	R2E2 Fund
Проект № 14	Supply of special equipment for environmental monitoring	R2E2 Fund
Проект № 13	Installation, commissioning, and testing of SCADA telemetry equipment at 6 220kV substations	Iskra Sistemi, Slovenia
Проект № 12	Telecommunication operator equipment (FiberHome, FortiGate)	GNC-Alfa CJSC
Проект № 11	Low-voltage systems of IBIS Hotel, Yerevan	HIY LLC
Проект № 10	Integration of DWDM equipment	ZTE Corporation [China]
Проект № 09	Integration of IP television platform	ZTE Corporation [China]
Проект № 08	Low-voltage systems for multifunctional buildings	K & K LLC
Проект № 07	Supply, installation, and commissioning of wireless access and video surveillance systems	AJA Free Economic Zone CJSC
Проект № 06	Structured cabling system (SCS) of the International School of Dilijan complex	RD Construction Management Armenia CJSC
Проект № 05	Supply and installation of network security equipment	Gazprom Armenia CJSC
Проект № 04	Installation and maintenance of the fiber optic network	GNC-Alfa CJSC
Проект № 03	Installation and commissioning of VoIP communication equipment at railway stations in Armenia	GNC-Alfa CJSC
Проект № 02	Supply, installation, and commissioning of SW platforms [OSS/BSS]	GNC-Alfa CJSC
Проект № 01	Supply, installation, commissioning of optical fiber equipment [GPON]	GNC-Alfa CJSC
